ACCME Standards for Commercial Support

As an accredited CME provider, the NYU Post-Graduate Medical School requires that its planners and presenters comply with the Updated ACCME Standards for Commercial Support of CME. We will disclose to our participants if this CME activity is supported by educational grants. As a member of our faculty, you are required to do the following:

- Disclose any relevant financial interest or relationship that you and your spouse/domestic partner may have with the manufacturer(s) of any commercial interest that is discussed as part of your presentation
- Design a presentation that is independent, objective, scientifically rigorous, balanced and free of bias
- Assure that scientific studies utilized or referenced in your presentation are from sources acceptable to the scientific and medical community
- Include patient care recommendations that are acceptable to the medical community and do not recommend any unscientific modalities or those not supported by evidenced based sources
- Maintain independence from any commercial supporters regarding the development of the activity content
